

CLEAR ICE LLC

Introduction

An overview

- Clear Ice LLC was established in 2009 with its new trade name. Previously Clear Ice LLC was under the parent company ICE OCCASIONS which was established in 2002 with a rich history of business expertise along with hundreds of satisfied customers with a benchmark in quality, hygiene and safety standards
- We are engaged in the manufacturing and distribution of all kinds' ice products catering to industrial, hospitality and fisheries etc.
- We have quality products like Block Ice, Crushed Ice, Ice cubes, Dry ice & Ice Carvings. State-of-the-art infrastructure and excellent customer services makes us one of the leading supplier of the ice products in the region. With an everyday production capacity of 200 tons of ice products and a fleet of 28 trucks ,our logistic team is providing exceptional services to the super markets, hotels industries, restaurants, food industries, fisheries etc.
